THIS LINE OF CREDIT AGREEMENT² (“**Agreement**”) is made and entered into as of [DATE OF AGREEMENT], by and between [COMPLETE LEGAL NAME OF LENDER], a California nonprofit [public benefit] corporation (“**Lender**”), and [COMPLETE LEGAL NAME OF BORROWER], a California nonprofit [public benefit] corporation (“**Borrower**”). As used herein, the term “**Parties**” means all of Lender and Borrower, and individually each is referred to as a “**Party**”.

RECITALS

A. Lender has determined that its charitable purposes will be advanced by funding certain requests for loans or other financial assistance for community needs in accordance with its [investment policy].

B. Borrower is a California nonprofit public benefit corporation dedicated to providing the following services: [DESCRIBE BORROWER'S CHARITABLE PURPOSE] (the “**Charitable Purpose**”).

C. Borrower is a charitable organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended (the “**Code**”), and is a public charity.

D. Lender and Borrower desire to set forth in this Agreement the terms and conditions pursuant to which Lender shall advance certain funds to Borrower (the “**Loan**”) to be used by Borrower in furtherance of the Charitable Purpose.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual covenants and promises set forth in this Agreement, and for such other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

1. LINE OF CREDIT

1.1 Line of Credit. On the basis of the covenants, agreements and representations of Borrower contained in this Agreement, the documents described in Section 1.12 of this Agreement, and all of the agreements, instruments and documents entered into in connection with the Loan, as may be amended, extended, supplemented, assigned, restated or otherwise modified (collectively, the “**Loan Documents**”), and subject to the terms and conditions set forth in this Agreement, Lender agrees to and shall make available to Borrower, and Borrower

1 Note that each loan should be evaluated for compliance with the lender’s obligations and may require the execution and delivery of an officer’s certificate. This form may not address all the business issues that may arise in the desired lending relationship. The documentation should be reviewed by counsel prior to finalization.

2 This is a form for a Line of Credit Agreement to be used for loan to a California non-profit corporation, secured by either (i) a Security Agreement (personal property collateral only) or (ii) by a Deed Of Trust (real property collateral) or (iii) both a Security Agreement and a Deed Of Trust. If secured by a Deed Of Trust, the package should also include an Environmental Indemnity. An optional Guaranty is also available.

agrees to borrow from Lender, a sum not to exceed to [*AMOUNT* (\$ _____)] which proceeds shall be disbursed in accordance with the provisions of Section 1.2 of this Agreement.]

1.2 Disbursement of Advances. Borrower may request advances under this Agreement for a period beginning on the effective date of this Agreement and ending at 1:00 p.m., California Time, on [*ENDING DATE*] (the “**Credit Period**”). Lender shall make disbursements (“**Disbursements**”) to Borrower from time to time during the Credit Period upon Borrower’s written request to Lender (a “**Request for Advance**”). Each Request for Advance furnished by Borrower shall (i) be substantially in the form attached to this Agreement as **Exhibit A**, (ii) constitute a reaffirmation by Borrower of the representations, warranties and covenants contained in this Agreement, and (iii) be duly signed by Borrower with all applicable supporting documents attached thereto setting forth such details as Lender may require.

1.3 Interest. Interest with respect to any amount disbursed to Borrower shall accrue as of the date on which Lender makes any such Disbursement to Borrower pursuant to the terms of this Agreement. The outstanding principal balance disbursed by Lender pursuant to this Agreement (“**Principal**”) shall accrue interest (“**Interest**”) daily at the rate of [[*PERCENT*] percent (_____ %)] per annum (the “**Stated Rate**”). Interest, while calculated at the Stated Rate, shall be calculated by multiplying the unpaid Principal balance times the Stated Rate and dividing the product thereof by twelve (12). Provided, however, in the event that Interest is due under this Agreement for any partial month, Interest, while calculated at the Stated Rate, shall be calculated by multiplying the unpaid Principal balance times the Stated Rate times the number of days in such month as the unpaid Principal balance was outstanding, and dividing the product thereof by 360. Borrower hereby acknowledges that Lender has agreed to the Stated Rate in light of the commitment of Borrower to assist in Lender’s charitable mission by using the loan proceeds in furtherance of the Charitable Purpose. Notwithstanding anything to the contrary contained in this Agreement, in no event shall Lender be entitled to collect interest at a rate in excess of the maximum rate permitted by law.

1.4 Repayment of Loan. Borrower shall pay to Lender the full Principal amount and Interest accruing thereon and all other amounts payable under the Loan Documents (as defined below), not later than [*MATURITY DATE*], by acceleration or otherwise (the “**Maturity Date**”) at the address set forth in Section 7.4 of this Agreement unless otherwise specified in writing by Lender. [The Principal amount and accrued Interest shall be due and payable in [*NUMBER*] (_____) consecutive monthly installments of Principal and Interest in accordance with the payment schedule attached to this Agreement as **Schedule 1** and incorporated in this Agreement by reference.]

1.5 Application of Payments. Lender shall apply all payments received from Borrower pursuant to this Agreement as follows: first, to the payment of applicable fees, costs and charges other than Interest and Principal, if any, owing under this Agreement or any of the other Loan Documents; second, to accrued and unpaid Interest then due and owing; and third to the outstanding Principal, except that, after the occurrence and during the continuation of any Event of Default (as defined below), all amounts received shall be applied in such order as Lender, in its sole and absolute discretion, may elect.

1.6 Prepayment. Borrower shall have the right at any time to prepay the outstanding Principal amount in whole or in part without penalty. Any partial prepayment shall be applied as provided in Section 1.5 of this Agreement and shall not extend the Maturity Date.

1.7 Late Payment Charge. Borrower acknowledges that if any payment provided for by this Agreement or any other Loan Documents is late by fifteen (15) days or more it would be impracticable or extremely difficult to fix the actual damages resulting to Lender. Therefore, Borrower shall pay to Lender a late payment charge equal to five percent (5%) of such overdue amount for each late payment, as liquidated damages and not as a penalty, to compensate Lender for the expenses of administering the default. This provision shall not, however, be construed as extending the time for payment of any amount under this Agreement or any other Loan Documents, and acceptance of such late charge by Lender shall in no event constitute a waiver of Borrower's default with respect to such overdue amount nor prevent Lender from exercising any of the other rights and remedies with respect to such default. Borrower hereby waives the provisions of California Civil Code Section 2954.5 or any similar law hereafter adopted imposing prerequisites to the imposition of late charges.

1.8 Default Rate. If Borrower fails to timely make any payment under this Agreement or any other Loan Documents within fifteen (15) days after the date on which it is due, the interest rate on such overdue amount shall accrue interest at the rate of [*DEFAULT RATE*] percent ($[i>DEFAULT RATE]\%$) per annum (the "**Default Rate**") until such overdue amount is paid, but in no event in excess of the Maximum Rate (as defined below). Interest, while calculated at the Default Rate, shall be calculated by multiplying the unpaid Principal balance times the Default Rate and dividing the product thereof by twelve (12). Provided, however, in the event that interest at the Default Rate is due under this Agreement for any partial month, interest, while calculated at the Default Rate, shall be calculated by multiplying the unpaid Principal balance times the Default Rate times the number of days in such month as the unpaid Principal balance was outstanding, and dividing the product thereof by 360.

1.9 Maximum Interest Rate. Borrower and Lender intend to conform strictly to the applicable usury laws. Notwithstanding any other provisions in this Agreement, in no event shall Lender ever be deemed to have contracted for or be entitled to receive, collect or apply as interest on this Agreement, any amount in excess of the maximum amount permitted by applicable law (the "**Maximum Rate**"). In no event, whether by reason of demand for payment, prepayment, acceleration of the maturity of this Agreement or otherwise, shall the interest contracted for, charged or received by Lender under this Agreement or otherwise exceed the Maximum Rate. If for any circumstance whatsoever interest would otherwise be payable to Lender in excess of the maximum lawful amount, the interest payable to Lender shall be reduced automatically to the Maximum Rate.

1.10 Dollars. All amounts payable under this Agreement are payable in lawful money of the United States of America in immediately available funds.

1.11 Waiver of Rights. Borrower hereby: (i) waives grace, demand, presentment for payment, notice of nonpayment, protest and notice of protest, notice of dishonor or default, notice of intent to accelerate, notice of acceleration and diligence in collecting and bringing of suit; (ii) agrees that Lender may, without notice to Borrower or any other person and without

affecting the liability of Borrower or any other person, accept additional or substitute security for this Agreement or release any security or any Party liable on this Agreement or any other Loan Documents; (iii) consents to and waives notice of any renewals, extensions, amendments or modifications of this Agreement or any other Loan Documents, whether made in favor of Borrower or any other person or persons; (iv) to the maximum extent permitted by law, waives the pleading of any statute of limitations as a defense to any demand against Borrower or any such other Party liable under this Agreement or any other Loan Documents; and (v) waives any right to challenge the validity or enforceability of this Agreement or any other Loan Documents.

1.12 Security for Loan. Borrower agrees that Borrower's obligations under this Agreement shall be secured or supported by [(i)] the Security Agreement by Borrower in favor of Lender substantially in the form attached to this Agreement as **Exhibit [X]**³ and incorporated herein by this reference;] [(ii)] [the Deed of Trust with Fixture Filing, Assignment of Leases and Rents and Security Agreement by Borrower to [*COMPLETE NAME OF TRUSTEE*], as trustee, for the benefit of Lender] substantially in the form attached to this Agreement as **Exhibit [X]** and incorporated herein by this reference (the "**Security Instrument[s]**"⁴); [(iii)] [the Environmental Indemnity Agreement dated as of [*DATE OF INDEMNITY*] by the Company in benefit of the Corporation substantially in the form attached to this Agreement as **Exhibit [X]** and incorporated herein by this reference,]⁵ [and (iv)] a Guaranty by [*COMPLETE LEGAL NAME OF GUARANTOR*] (the "**Guarantor**"), substantially in the form attached to this Agreement as **Exhibit [X]** (the "**Guaranty**") pursuant to which the Guarantor is guarantying Borrower's obligations under this Agreement and the Loan Documents; [and (v) other security [*SPECIFY*]]; [provided, however, any environmental indemnity or environmental indemnity agreement, executed by the Borrower or any other persons in connection with Loan, shall in no event constitute a Loan Document for purposes of the [Security Instrument[s]].]⁶

2. REPRESENTATIONS AND WARRANTIES. In order to induce Lender to enter into this Agreement and to make the Loan, Borrower makes the following representations and warranties, which shall survive the execution and delivery of the Loan Documents:

The execution, delivery, and performance of this Agreement and each of the other Loan Documents have been duly authorized by Borrower.

2.4 Binding Agreement. This Agreement has been duly executed and delivered by Borrower and constitutes a legal, valid, and binding obligation of Borrower, enforceable against it in accordance with its terms, except as the enforceability thereof may be affected by (i) bankruptcy, insolvency, or similar laws affecting the enforcement of creditors' rights generally, and (ii) the availability of certain equitable remedies or limitations imposed by certain equitable principles of general applicability.

The execution, delivery, and performance of this Agreement and the other Loan Documents shall not (a) violate any provision of California or federal law or regulation or any order of any Governmental Authority (as hereinafter defined), court, arbitration board, or tribunal applicable to or binding on Borrower, Borrower's assets, or its business, or (b) result in the breach or constitute a default under any provisions of, or result in the creation of any security interest, lien, charge, or encumbrance upon any of the property or assets of Borrower pursuant to any indenture, agreement, or other instrument (other than this Agreement and the related Security Instrument[s] to the extent it creates a lien upon the assets of Borrower) to which Borrower or any of its properties is bound. As used herein, the term "**Governmental Authority**" shall mean all Federal, State, County or City governments, any political subdivision thereof, and any agency, department, court, board or instrumentality of any of them.

2.9 Litigation. There is no litigation, investigation, or proceeding in any court or before any arbitrator or governmental regulatory commission, board, administrative agency, or other Governmental Authority pending, or, to the knowledge of Borrower, threatened, against or

affecting Borrower, or any of its properties that, if adversely determined, could be reasonably expected to: (a) prevent enforcement of any of the Loan Documents against Borrower; (b) prohibit Borrower from borrowing or repaying the Loan under this Agreement; or (c) have a material adverse effect on the business, operations or financial condition of Borrower.

2.10 Consents. No consent, license, permit, approval, or authorization of, exemption by, notice or report to, or registration, filing, or declaration with, any Governmental Authority or agency is required in connection with the execution, delivery, and performance by Borrower of this Agreement or the other Loan Documents, or the transactions contemplated hereby or thereby (except for standard disclosure requirements of federal securities laws and regulations), or if such a consent, license, permit, approval or authorization is required, the failure of Borrower to obtain the same will not have any material adverse impact on Borrower or Borrower's ability to repay the Loan.

3. AFFIRMATIVE COVENANTS. Borrower covenants that, unless otherwise consented to in writing by Lender, Borrower shall comply with the following affirmative covenants until payment and performance in full of all amounts, liabilities and obligations due under this Agreement and the other Loan Documents:

3.1 Accounting Records. 3.2 Use of Proceeds.⁷ Borrower represents and warrants that the proceeds of the Loan from Lender shall be used solely for Borrower's charitable purposes and will not use the proceeds to engage in any activity that would give rise to unrelated business income within the meaning of Section 512 of the Code.

Borrower agrees to execute the Loan Documents and any other documents reasonably necessary to carry out the intent of this Agreement or the other Loan Documents or to create, attach, perfect, provide constructive knowledge, obtain a first priority or maintain ownership of a security interest or lien on any portion of the collateral granted to Lender under the Loan Documents, now and hereafter acquired, along with any and all additions and accessions thereto, substitutions therefor, replacements thereof and the proceeds of any of the foregoing (collectively, the “**Collateral**”). 4.7.2 If, without the written consent of Lender being first had and obtained, any of the following events occurs with respect to Borrower if it is a limited liability company or a corporation, as the case may be: (i) Borrower materially ceases operations, or its members or the board of directors of Borrower resolves to dissolve and liquidate Borrower; (ii) a judicial decree for winding up and dissolution is granted; (iii) Borrower otherwise terminates its existence, whether voluntarily or involuntarily; (iv) the members or the board of directors of Borrower resolves to consolidate, merge, restructure or enter into any other combination reorganization (unless (A) the net worth of the surviving limited liability company or corporation will exceed Borrower's net worth as of the date of this Agreement, computed on both a book value and a fair market value basis, respectively, and (B) the members or shareholders of Borrower as of the date of this Agreement will own or control not less than twenty-five percent (25%) of the stock, on a fully diluted basis, of the surviving limited liability company or corporation); (v) if the members or the board of directors of Borrower resolves to enter into any divisive reorganization such as, by way of example, a "spin-off" or a "split-off" (unless each surviving limited liability company or corporation: (A) remains jointly and severally liable under this Agreement and any other Loan Documents and (B) has executed and delivered such documents as Lender may require and in such form as Lender may require to evidence this continuing obligation); (vi) if Borrower sells or hypothecates ten percent (10%) or more of Borrower's gross assets based on both book value and fair market value outside the ordinary course of its business (not including providing security for Loan) in any three (3) year period; or (vii) if Borrower distributes to its members or shareholders, whether such distribution is classified as a dividend, compensation, redemption, loan repayment or otherwise, an amount equal to ten percent (10%) or more of Borrower's gross assets based on both book value and fair market value, respectively, in any three (3) year period; or

4.7.3 If, without the written consent of Lender being first had and obtained, any of the following events occur with respect to Borrower if it is a partnership: (i) if Borrower materially ceases operations; (ii) if the partners of Borrower elect to wind up and dissolve; (iii) if Borrower otherwise terminates its existence, whether by operation of law or by agreement; (iv) if the partners of Borrower elect to restructure, consolidate, merge or enter into any other reorganization with another partnership or entity (unless (A) the net worth of the surviving partnership will exceed Borrower's net worth as of the date of this Agreement, computed on both a

book value and a fair market value basis, respectively, and (B) the partners of Borrower will own or control not less than twenty-five percent (25%) of the surviving partnership); (v) if Borrower distributes to its partners, whether such distribution is classified as a capital, income or liquidating distribution, compensation, loan repayment or otherwise, an amount equal to ten percent (10%) or more of Borrower's gross assets based on both book value and fair market value, respectively, in any three (3) year period; or (vi) in the event any of the general partners of Borrower are either a limited liability company, corporation or a partnership, if any of the events of Paragraph 4.7.2 above or this Paragraph 4.7.3 (i) - (v) occur with respect to any such general partners.

5.1.5 Security Interest. Lender's security interest shall become materially impaired for some reason other than the normal business operations of Borrower or otherwise unenforceable, except by reason of any action by Lender which would constitute a breach of the terms of this Agreement or the other Loan Documents, and except as approved in writing by Lender.

5.1.6 Revocation of Tax-Exempt Status. Borrower's status as a charitable organization described in Section 501(c)(3) of the Code is revoked by the Internal Revenue Service.

5.1.7 Encumbrances Against Collateral. Borrower's sale, conveyance, assignment, lease (other than in the ordinary course of business of operating the Collateral) or

6. RELATIONSHIP OF PARTIES

6.1 Independent Contractor. In the performance of the duties and obligations of Borrower under this Agreement, it is mutually understood and agreed that Lender and Borrower are at all times acting and performing as independent contractors, and nothing in this Agreement is intended nor shall be construed to create between Lender and Borrower, an employer/employee, joint venture, lease, landlord/tenant or fiduciary relationship.

¹⁰ Use only if using a Guaranty and Guarantor is an individual.

6.2 Indemnification. Borrower shall indemnify, hold harmless, and defend Lender and its officers, directors, employees, agents, affiliates, successors and permitted assigns (collectively, the “**Lender Parties**”) from and against any and all losses, damages, liabilities, deficiencies, claims, actions, judgments, settlements, interest, awards, penalties, fines, costs, or expenses of whatever kind, including reasonable attorneys’ fees, that are incurred by the Lender Parties in a final non-appealable judgment (collectively, “**Losses**”), arising out of any claim alleging: (a) breach or non-fulfillment of any representation, warranty or covenant set forth in this Agreement or the other Loan Documents by Borrower; or (b) any failure by Borrower to comply with any applicable federal, state or local laws, regulations or codes in the performance of its obligations under this Agreement or the other Loan Documents. The Lender Parties shall give Borrower prompt written notice (a “**Claim Notice**”) of any Losses or discovery of facts on which the Lender Parties intend to base a request for indemnification under this Agreement. The Lender Parties’ failure to provide a Claim Notice to Borrower does not relieve Borrower of any liability that Borrower may have to the Lender Parties, but in no event shall Borrower be liable for any Losses that result from a delay in providing a Claim Notice. Each Claim Notice must contain a description of the claim and the nature and amount of the related Losses (to the extent that the nature and amount of the Losses are known at the time). The Lender Parties shall furnish promptly to Borrower copies of all papers and official documents received in respect of any Losses. The Lender Parties’ duty to defend applies immediately, regardless of whether Borrower has paid any sums or incurred any detriment arising out of or relating, directly or indirectly, to any claim. The Lender Parties may settle or compromise any claim or consent to the entry of any judgment regarding which it is seeking indemnification under this Agreement without the prior written consent of Borrower. Borrower shall on demand pay to Lender the amount of any and all reasonable costs and expenses, including the reasonable fees and disbursements of its counsel and of any experts or agents, which Lender may incur in connection with: (i) the exercise or enforcement by Lender of any of its rights or remedies under this Agreement or the other Loan Documents; or (ii) any failure by Borrower to perform any of its obligations under this Agreement or the other Loan Documents.

Further, each Party agrees it shall not, without prior written authorization from the other Party, use for its own benefit or purposes, or for the benefit or purposes of any third party, any Confidential Information, except any such use arising in connection with this Agreement. Notwithstanding the foregoing, each Party may disclose Confidential Information to the limited extent required (a) in order to comply with the order of a court or other governmental body, or as otherwise necessary to comply with applicable law, provided that the Party making the disclosure pursuant to the order will first have given written notice to the other Party and made a reasonable effort to obtain a protective order; or (b) to establish a Party's rights under this Agreement, including to make such court filings as it may be required to do. 7.5 Governing Law. This Agreement shall be governed by and construed according to the laws of the State of California, and any action arising out of it shall be instituted and prosecuted only in a court of proper jurisdiction in the County of Orange. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid

under applicable law, but if any provision of this Agreement is prohibited or invalid under applicable law, such provision shall be ineffective only to the extent of such prohibition or invalidity, without invalidating the remainder of such provision or the remaining provisions of this Agreement. This Agreement shall be given a fair and reasonable construction in accordance with the intention of the Parties and without regard to, or aid of, any presumption against the Party that caused this Agreement to be drafted.

7.6 Severability. This Agreement shall not terminate solely by reason of any of its provisions being declared invalid or unenforceable. If any provision hereof is or becomes invalid or unenforceable, the remaining provisions hereof shall be unimpaired and the invalid or unenforceable provision shall be replaced by a provision that is valid and enforceable and that comes closest to the intention of the invalid or unenforceable provision.

7.7 Compliance with Lender Standards. Borrower shall cooperate with Lender's corporate compliance program, audits, reviews and investigations which relate to Borrower under this Agreement.

7.8 Captions. Any captions to or headings of the articles, sections, subsections, paragraphs or subparagraphs of this Agreement are solely for the convenience of the Parties, are not part of this Agreement and shall not be used for interpretation or determination of the validity of this Agreement or any provision of this Agreement.

7.9 Entire Agreement; Amendment. The making, execution and delivery of this Agreement by the Parties has not been induced by any representations, statements, warranties or agreements other than those expressed in this Agreement. This Agreement embodies the entire understanding of the Parties, and there are no further or other agreements or understandings, written or oral, in effect between the Parties relating to the subject matter of this Agreement, unless expressly referred to by reference in this Agreement. This Agreement supersedes and terminates any previous oral or written agreements between the Parties with respect to the subject matter of this Agreement, and any such prior agreement is null and void. This Agreement may be amended or modified only by an instrument in writing signed by both Parties.

7.10 Waiver of Provisions. Any waiver of any terms, covenants and/or conditions of this Agreement must be in writing and signed by the Parties. A waiver of any of the terms, covenants and/or conditions of this Agreement shall not be construed as a waiver of any other terms, covenants and/or conditions of this Agreement, nor shall any waiver constitute a continuing waiver.

7.11 Attorneys' Fees. In the event that any action, including mediation or arbitration, is brought by either Party to enforce or interpret the terms of this Agreement, the prevailing Party in such action shall be entitled to its costs and reasonable attorneys' fees and costs (including allocated costs of in-house counsel) incurred therein from the nonprevailing Party, in addition to such other relief as the court or arbitrator may deem appropriate.

In the event that any Loan Document either (a) adversely affects Lender's or Lender's affiliates' tax-exempt status or the tax-exempt status of interest on the securities of Lender or its affiliates; or (b) requires action to be taken with respect to the securities of Lender or its affiliates, Lender may, in Lender's sole discretion, require amendment of such Loan Document to reasonably remediate the adverse effect on Lender's or Lender's affiliates' tax-exempt status or the tax-exempt status of interest on the securities of Lender or its affiliates, as applicable. In such case Borrower shall, immediately upon request from Lender, execute such amendment presented by Lender and return the same promptly to Lender.

7.15 Non-Discrimination. All of the Parties represent and warrant that they are and at all times during the term of this Agreement shall be in full compliance with Section 504 of the Rehabilitation Act of 1973 and Titles VI and VII of the 1964 Civil Rights Act, as amended and all regulations issued pursuant thereto.
